### Colorado Department of Public Health and Environment and Firefly Autism COVID-19 Vaccination Clinic

**LAKEWOOD, Colorado** - Firefly Autism is honored to have been selected by the Colorado Department of Public Health and Environment (CDPHE) to host a COVID-19 vaccination clinic. This will take place on Sunday, February 28<sup>th</sup> from 8:00am – 5:00pm at our headquarters at 2001 Hoyt Street, Lakewood, CO 80215. Firefly Autism will be following the State of Colorado vaccine guidelines currently serving individuals through phase 1B.2. Our vaccine clinic will utilize the new “PrepMod” software provided by the CDPHE to ensure confidential record management and registration convenience.

The vaccine is being provided at no cost to you

**Register here** <https://www.comassvax.org/req/9256401686>

**Visit** [www.FireflyAutism.org](http://www.FireflyAutism.org) for more information our vaccine site and organization

Firefly Autism and our staff are excited to continue serving our community during the pandemic. “Firefly Autism believes that giving back in the communities we live and serve is extremely important”, says CEO, Jesse Ogas. “Firefly’s mission is in our DNA and part of our mission is being great community partners.” says COO, Ken Winn.

At Firefly Autism, our purpose is to transform the lives of children with autism. Partnering with families, we create life-long relationships through thoughtful, innovative, empirical learning treatment programs.
